

MN RATING WANTING TO MOVE AHEAD?

Collect up to £15,000 to help your studies...

Are you a Merchant Navy rating considering career progression?

The JW Slater Fund, administered by Nautilus UK, offers awards of up to £15,000 to help ratings study for a first certificate of competency.

And there is now a bonus of £1,000 for completing the course.

Over the past decade alone, Slater Fund awards have been given to more than 800 individuals.

Named in honour of former MNAOA general secretary John Slater, the awards are

made to selected UK-resident ratings aged 20 or over.

The money can be used towards the costs of any necessary full- or part-time education, and to provide some financial support during college phases for those off pay.

Nautilus UK is now inviting applications for the 2008 awards. If you want to make the next move, don't leave things to chance – fill in the form on the right, or apply via www.nautilusuk.org
