Dear Martin

**MSSC MOU EXTENSION**

After much good work by all parties, we now have an MoU which is virtually ready for signature. However, due process with legal checks and Easter public holidays means that we are going to exceed the 31 Mar deadline for extension of the current MoU. Understanding you have already spoken to Brig Dave Kassapian, we therefore propose a final extension to 30 Apr 2018 to allow us to complete due processes in proper time.

Separately, we will forward our intent towards Grant In Aid for the MSSC prior to 31 Mar 2018 to allow business to continue whilst we finalise the MoU.
