Dear Martin,

MSSC MEMORANDUM OF UNDERSTANDING (MOU) EXTENSION

I am writing to confirm that the MOU has been passed to Second Sea Lord for consideration and decision. It is agreed that the pragmatic approach is to leave the start date unchanged, although it is accepted that the actual signatory dates may be a few days afterwards.

We agree to extend the current MOU until 7 December 2018 or the date it is signed by Second Sea Lord, whichever is soonest.

Yours sincerely

FD(N)
